I further state that I am a(n) U.S. Senior Border Patrol Agent and that this complaint is based on the following facts:

On September 20, 2016 at approximately 1:00 a.m., Border Patrol Agents Guerrero and Rohr were patrolling near the Falfurrias, Texas Checkpoint. The agents received information over the service radio from an agent manning Aerostat 3. Aerostat 3 relayed information about a group of people walking north around the checkpoint. Agents Guerrero and Rohr responded. Once they arrived to the area, a helicopter helped them locate most of the people in the group. As the agents were getting closer to the group, all subjects in the group starting running in all directions. The agents managed to apprehend 9 subjects. Agents questioned all the subjects as to their immigration status, all subjects admitted they were illegally present in the United States.

All subjects were placed under arrest and transported to the Border Patrol Station.

Through interviews, the agents discovered that two of the subjects apprehended were the smugglers.
